

New Construction Application

New construction Change order

The Meadow Lake community is pleased to work with you as you begin your project as owner or builder. Members of the homeowners' association are proud of their community and have set high standards for new construction and renovation projects. Detailed building requirements and standards are posted on the website and available in the HOA office. Please don't hesitate to contact us with your questions or concerns.

Download this New Construction Form and submit it with Materials Display Board to the HOA office for approval from the ARB.
