

Appendix A - New Construction Application

New construction	_ Change	order
------------------	----------	-------

The Meadow Lake community is pleased to work with you as you begin your project as owner or builder. Members of the homeowners' association are proud of their community and have set high standards for new construction and renovation projects. Detailed building requirements and standards are posted on the website and available in the HOA office. Please don't hesitate to contact us with your questions or concerns.

Download this New Construction Form and submit it with Materials Display Board to the HOA office for approval from the ARB.

*One person (Project Manager) must be designated by the owner to represent the project. This person is hereby authorized by the owner to represent the owner's interest before the ARB.

The ARB meets as needed for new or major remodel projects. To be placed on the agenda, your submittal must be received by 4:00 PM on the Thursday preceding the meeting. If you have questions regarding this process, please call MLHOA General Manager at 406-897-2765 or hoamanager@ml-hoa.com.

The ARB reviews construction plans and home sites for compliance with the Meadow Lake Covenants and Standards. It does not review plans or sites for structural integrity, safety, workmanship or financial return.
